## OUR PRODUCT RANGE

## A VISIONARY WITH THE 'GREEN TOUCH' OF NATURE POWER

He is the man who has dedicated his life to the noble cause of providing health to the entire world through Ayurvedic system of medicine based on Indian traditions.

In the year 2020, when the covid pandemic was threatening the whole world and people were looking towards Vishwaguru "Bharat Varsh" in the hope of a safe medical system without side effects, Tara Prakash Tiwari, the Founder and Managing Director of India's leading company in manufacturing of Ayurveda medicine, juice and food supplements "Vritika Herbotech Pvt. Ltd" established Dr. Nature Wellness Private Limited, India's first pure Ayurvedic product based network marketing company, to create the enlightenment of Ayurveda in the world and to connect the countless citizens unemployed due to the Covid epidemic with self-employment.

### Mr. Tara Prakash Tiwari

Founder, Dr. Nature Wellness Pvt. Ltd.

**“ Under the banner of Vritika Herbotech Pvt. Ltd, we have been working to promote the cultivation of medicinal plants for the last 15 years, as a result of which the income of our farmers is increasing well, now through network marketing in Dr. Nature Wellness Pvt. Ltd., we are trying to provide a new source of income to millions of unemployed people of our country. ”**

Shri Tara Prakash Tiwari, a holder of postgraduate education in the field of agricultural science and a postgraduate diploma in naturopathy and yogic science, is determined to spread the glory of Ayurveda to the world with the ideology of "Local for Global" and to restore the Jagadguru image of India.

Mr. Tiwari says "Ayurveda is our ancient legacy, which mainly tells the principles of living a healthy and happy life". This is the ladder through which we can amazingly increase the income of the people of our farming community by establishing our sole power in the world market. The need is to formulate high quality Ayurveda based products as per the market demand and for this we have reflected our experience of more than 15 years as Dr. Nature Wellness Pvt. Ltd.

DR. NATURE

## SUGAR BALANCE JUICE & TABLET

**Ingredients** - Dr. Nature Sugar Balance Juice is a wonderful blend of Bitter gourd, Jamun, Turmeric, Giloy, Fenugreek, Amla, Aloe Vera, Gudmar produced from organic farming.

Blood sugar or glucose level can be high due to not making insulin properly in the body or not using insulin properly. Diabetes is a metabolic syndrome that is associated with many diseases. This affects every part of the body. Diabetes increases the risk of heart diseases, chest pain, heart attack, stroke and having sugar in the arteries are its main symptoms. The risk of Alzheimer's increases in type 2 diabetes, the risk of kidney failure also increases by 50 percent. The increased sugar caused by diabetes affects the nerves that supply blood to the brain, due to which some part of the brain can be damaged and memory loss can also occur. High blood sugar can have a bad effect on the eyes by damaging the nervous and circulatory systems.

**Bitter gourd:** Bitter gourd juice naturally normalizes the blood sugar level in the body, Bitter gourd juice is rich in Vitamin C, so it keeps the immune system strong from the body. Bitter gourd juice helps in expelling toxins from the body. Bitter gourd It is also helpful in blood purification. Bitter gourd contains anti-hyper glycaemic elements like moxidine and cherratin. Phosphorus is found in sufficient quantity in bitter gourd. It removes phlegm, constipation and digestive problems, bitter gourd juice is helpful in increasing the efficiency of the liver.

**Jamun (Blackberry, Jambu fruit):** The elements that remove diabetes, anemia are found in Jamun.

**Turmeric:** According to research, curcumin is found in turmeric, which is considered beneficial for diabetic patients. It also enhances immunity.

**Giloy :** Giloy is beneficial in increasing immunity and balancing the tridoshas and the anti-oxidant element present in Giloy is helpful in removing harmful substances from the body. Giloy is considered useful in diabetes control.

**Fenugreek:** The amino acids present in fenugreek are helpful in breaking down the sugar present in the blood and reducing its level.

**Amla:** Amla is a major source of Vitamin C, which is helpful in increasing immunity, controlling blood sugar and reducing cholesterol naturally. Chromium is found in gooseberry, which is helpful in reducing the amount of sugar in the blood by strengthening the insulin hormone.

**Aloe vera:** According to the studies done on aloe vera juice, regular consumption of aloe vera juice controls the sugar in the blood. Aloe vera contains acemannan, hydrophilic fiber, glucomannan and phytosterol elements which help in lowering blood sugar. Research done on aloe vera and diabetes-related rats is also available on the website of the National Center for Biotechnology Information.

**Gudmar:** Gudmar is an important plant that helps in inhibiting sugar absorption in the body which has been used in Ayurveda medicine for thousands of years. It is present as a main ingredient in Dr. Nature juices and tablets. \*
